

FAIRWAY VILLAGE MEN'S GOLF CLUB

Welcome. We invite you to join our club.

The Fairway Men's Golf Club is open to all 55 and over residents and non-resident golfers at all levels of play.

Non-resident membership is available to male golfers over the age of 55 that either purchase an annual pass or participate in the punch card green fee system.

The Men's Club reserves morning tee-times on Tuesdays and Thursdays from May through October. Tuesdays are Club Monitor selected mixed foursomes by handicap, and Thursdays are individual group signup foursomes.

Hosted luncheons and Board of Director's meetings are held each month during the season. All members are invited to attend. There is ample opportunity to get involved by serving on any one of the standing committees.

There are four special fun game events during the season and two mixers with the Fairway Lady golfers. There is a Club Championship event as well as a Hole-In-One contest.

All Club play is regulated by our in-house handicap system. The OGA Ghin system is available at an added fee.

The Fairways Golf Course is owned and operated by the Homeowner's Association. There is a fully stocked golf shop with club and cart rental service.

Please call the Golf Shop at 360 254 9325 with any New Membership questions. You will be forwarded to a Club Officer to assist you.

We look forward to meeting you and in the near future playing many rounds of fun golf.
